This year our PYEA has been able to do quite a bit. We have doubled our membership from thirty-five last year to seventy this year. Some of our activities this year have included a college trip to West Chester State College, Parent Visitation Night, our Annual Spring Banquet, Cadet Teaching, and a Bicentennial Day. We also helped with the Regional Chorus Festival and sent two delegates to the state PYEA convention in Gettysburg.

THE STORY:

The story takes place in the town of Saginaw City where the bank has decided to honor one of its leading citizens, who unbeknownst to them, is trying to improve the economy by printing her own money. The FBI doesn't like it. The mafia doesn't like it. But Grandma and her friends love it.

National Honor Society

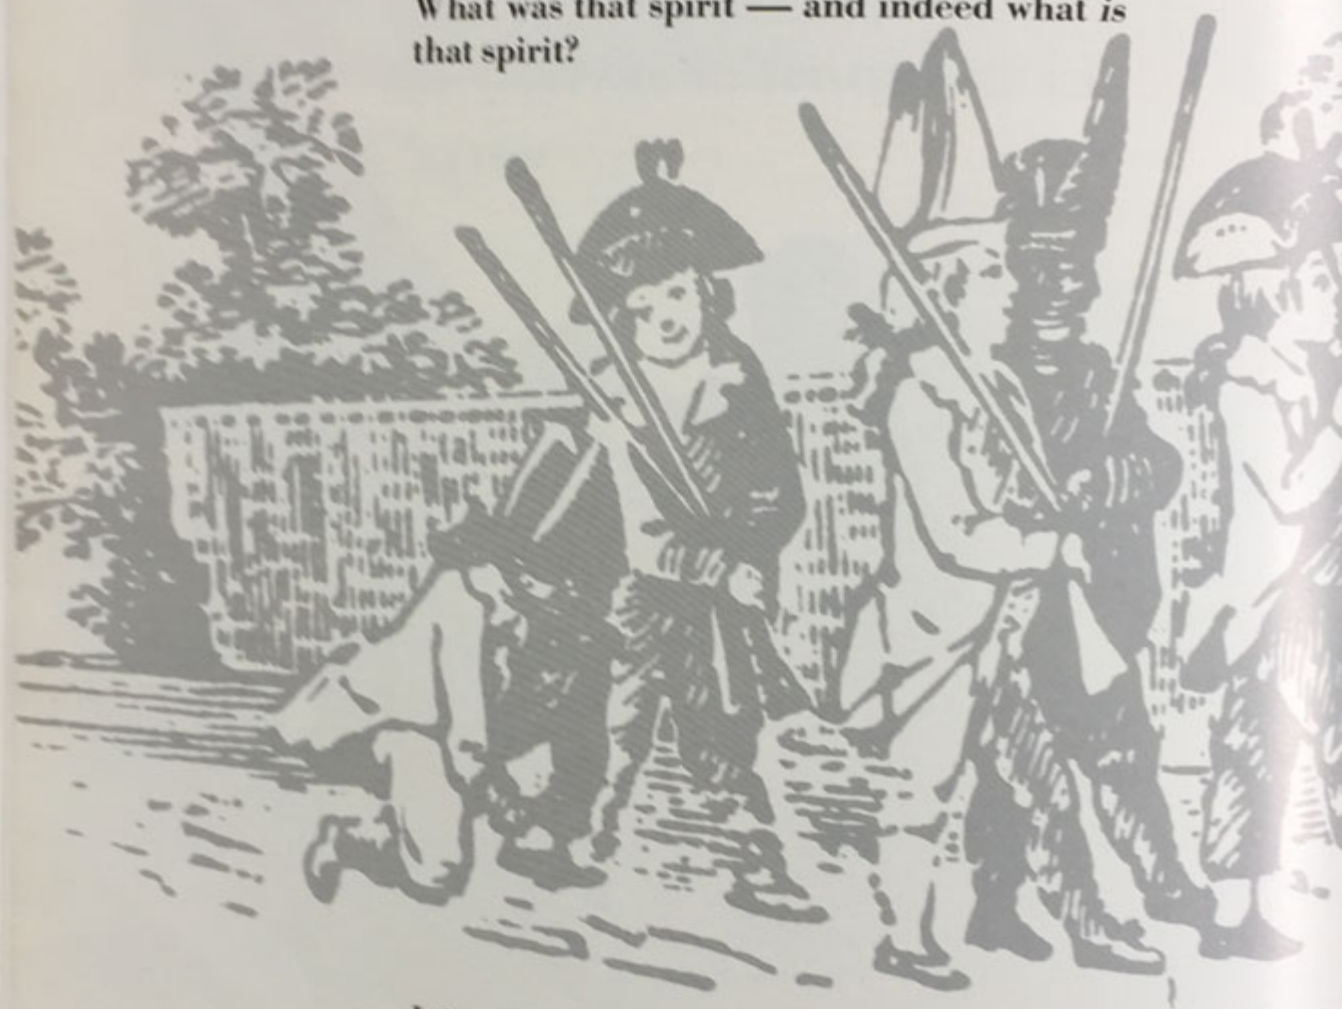

We
Celebrate
the Past
in the spirit of seventy-six

There was an enormous force which strengthened the colonies, which exists today, and which has carried America through its great history. That force is known to us all to be the "*Spirit of '76.*"

What was that spirit — and indeed what *is* that spirit?

It is a *SPIRIT OF LIBERTY* and the knowledge that one man's freedom is more important than anything else on earth.

Independence Hall
The State House of
Pennsylvania

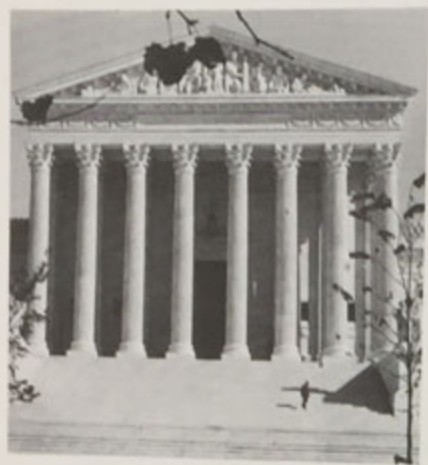

The Birthplace of
the UNITED STATES
of AMERICA

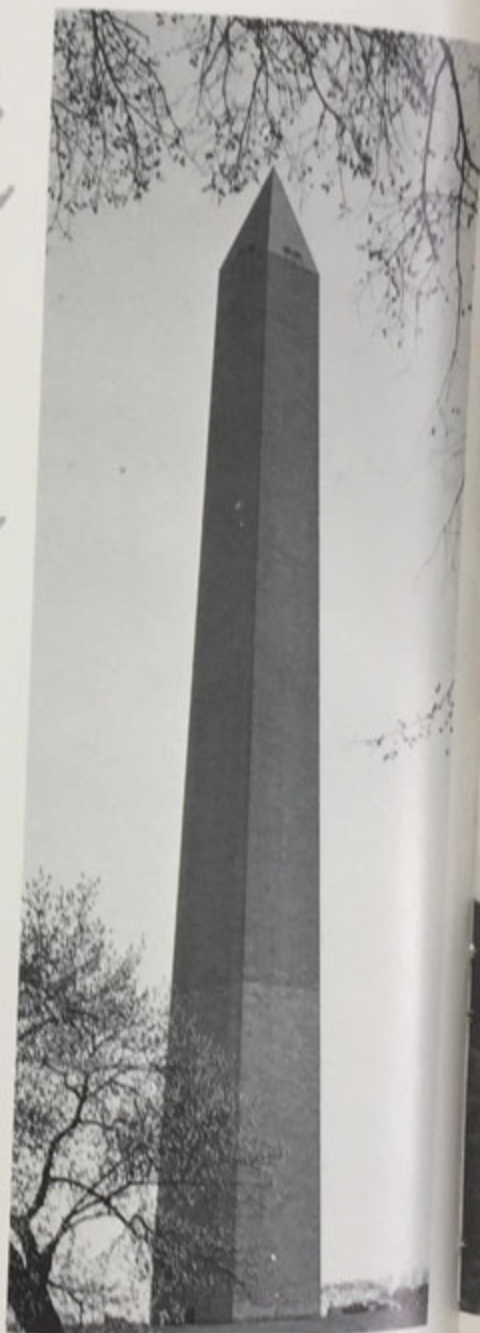

It is the **SPIRIT OF SACRIFICE** — of sharing burdens and conflicts.

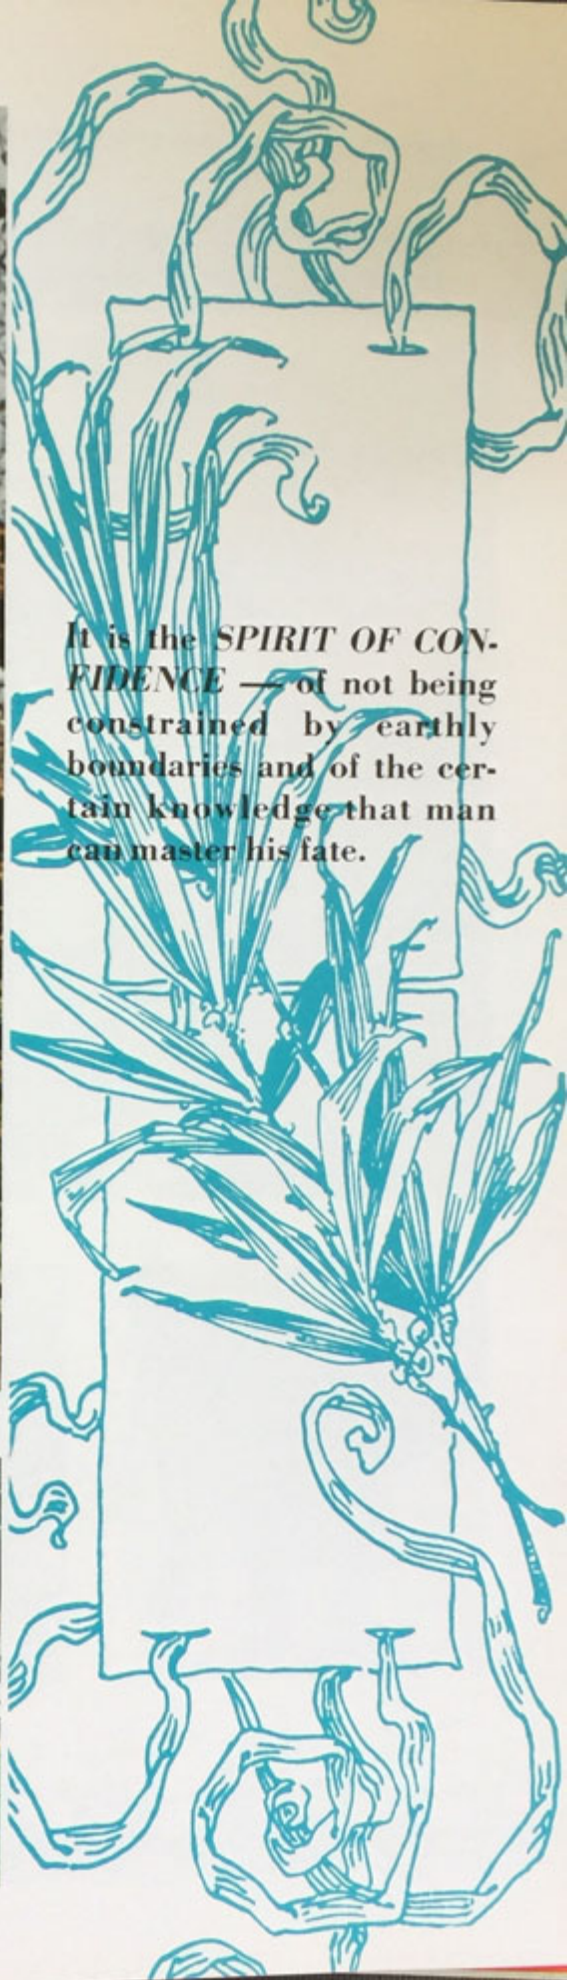

It is the *SPIRIT OF OPTIMISM* of knowing that we can always make things better — of working only for the best, and expecting only the best.

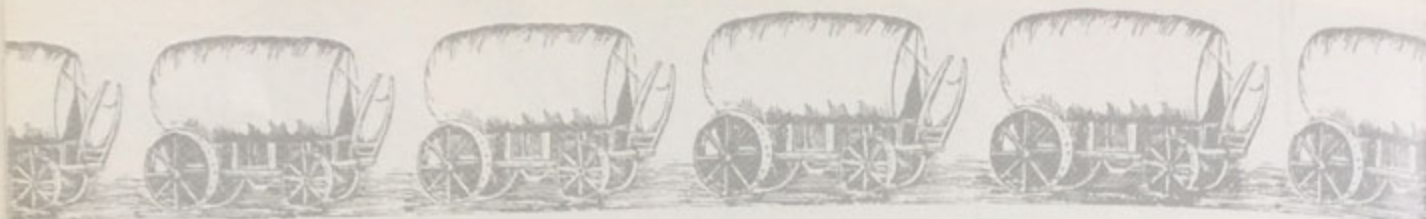

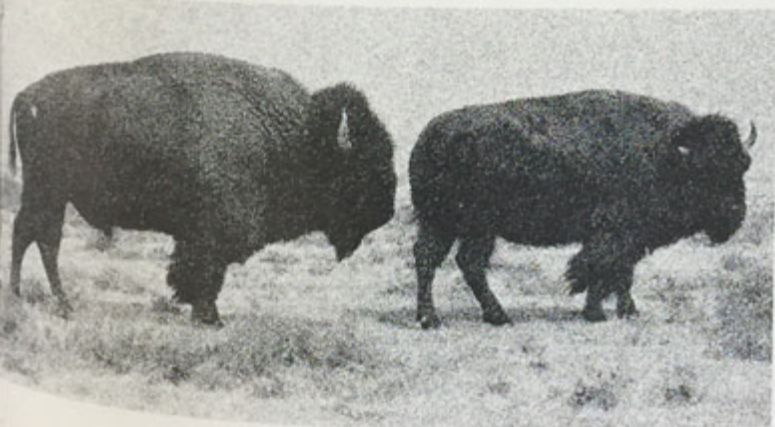

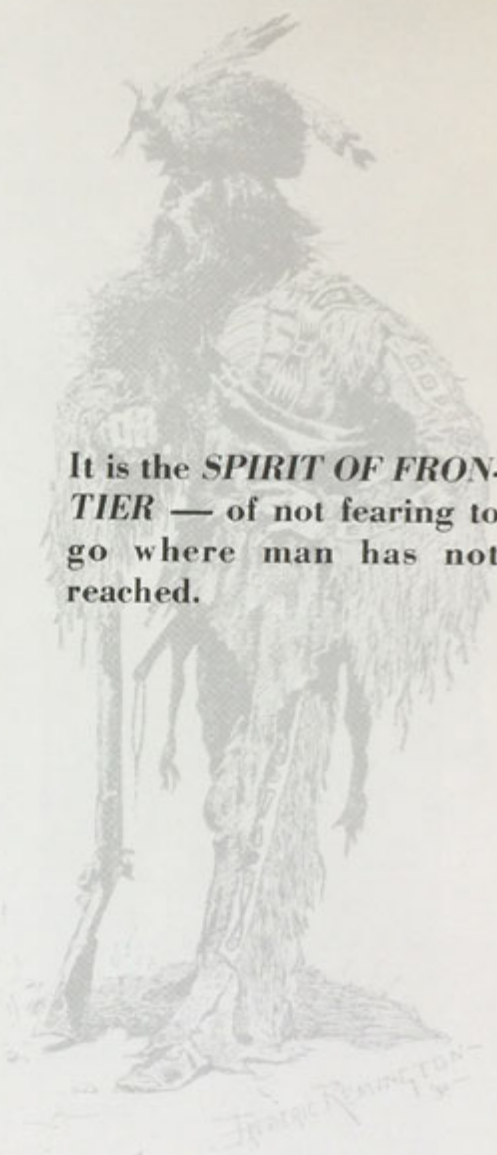

It is the *SPIRIT OF CONFIDENCE* — of not being constrained by earthly boundaries and of the certain knowledge that man can master his fate.

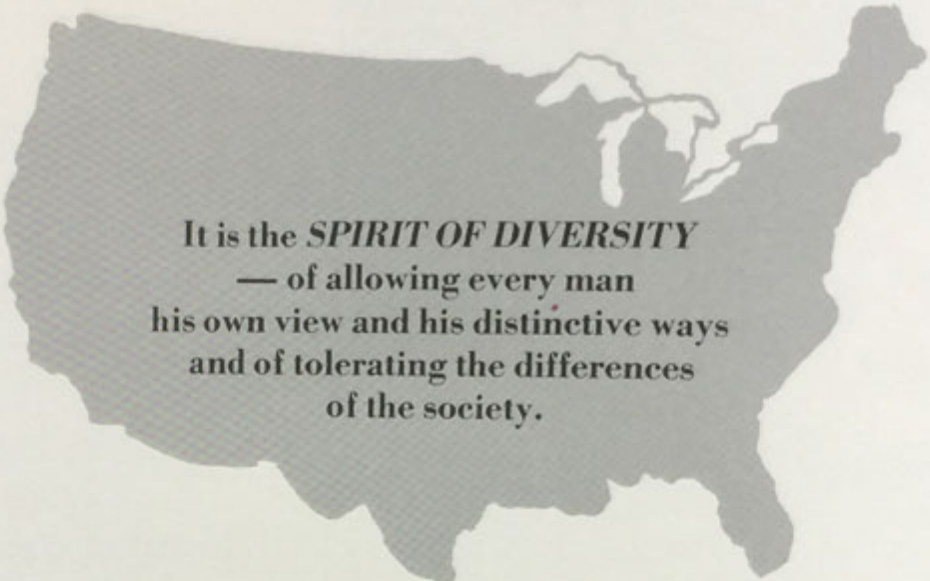

It is the *SPIRIT OF FRONTIER* — of not fearing to go where man has not reached.

It is the *SPIRIT OF DIVERSITY*
— of allowing every man
his own view and his distinctive ways
and of tolerating the differences
of the society.

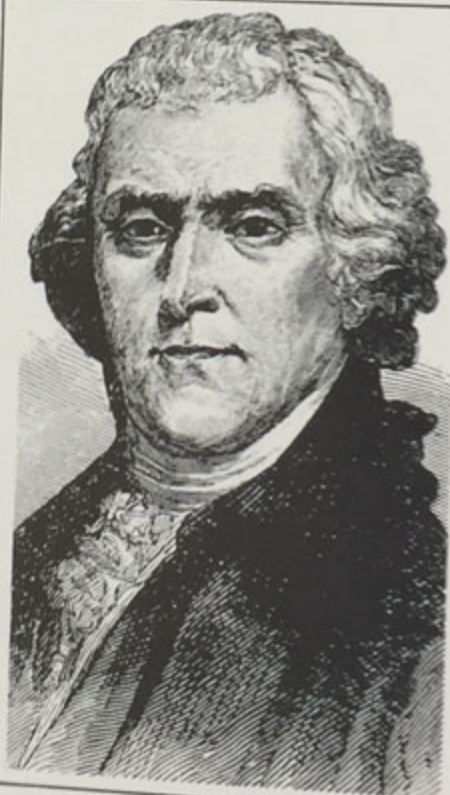

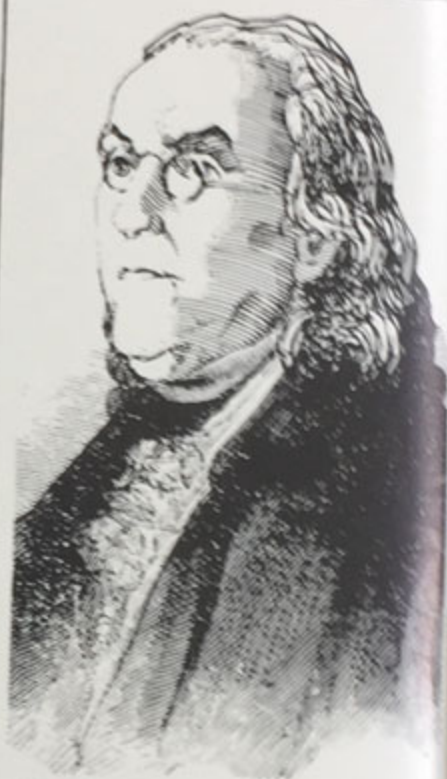

George Washington

John Adams

Thomas Jefferson

Benjamin Franklin

Alexander Hamilton

James Madison

John Hancock

It is the *SPIRIT OF INDIVIDUALISM*
— acknowledging a birthright of opportunity
and freedom drawn from the strength
of our fathers.

Indeed the "*SPIRIT OF '76*" was, and is, many things,
each of which has been a building block
of our national greatness.
Our country grew on that spirit
and prospered on that spirit.
When all else fails
it is that spirit that will be there to guide us
and keep us strong.

The 1975 soccer season started on August 11. Thirty-four students were involved in the soccer program. Twenty-eight of these students played during the thirteen game varsity season. Soccer season ended on October 29 with a 4-7-2 record. Blue Ridge scored a total of twenty goals; our opponents scored 32. Blue Ridge scored more goals this season than in the last seven years combined. Blue Ridge outshot the opponents in seven games; we were outshot in four games and even in two games. Blue Ridge shot 237 times at the opponent's goal and opponents shot 200 times at our goal.

The 1975 version of the girls' basketball team featured only three seniors among 23 players.

Ann Liccione, Deb Riecke, and Deb Orth were the three chosen to the league all-star team. Ann and Deb Riecke were the all stars in the Tunkhannock Tournament.

The girls finish the league season with one win and eight losses but managed a second place in the tournament. With twenty girls returning next year, the record should show some improvement.
